Fixed-Term or Month-to-Month · Form MRL-204 (Rev. 03/24)

This Residential Lease Agreement (this "Agreement") is made on June 14, 2025 between Cedar Grove Rentals LLC ("Landlord") and Priya Nadkarni and Daniel Osei ("Tenant"), who agree as follows.

1. Premises. Landlord leases to Tenant the residential premises located at 77 Larkspur Lane, Apt 3C, Port Marlow, CA 94066 (the "Premises"), together with the fixtures and personal property described in Section 4. The Premises shall be occupied solely as a private residence by the following named occupants and no others: Priya Nadkarni, Daniel Osei, one minor child.

2. Term. (Check A or B):

☐ **A. Month-to-Month.** This Agreement begins on July 1, 2025 and continues as a month-to-month tenancy until terminated by either party on at least thirty (30) days' written notice given in the manner required by law.

☒ **B. Fixed Term.** This Agreement begins on July 1, 2025 and ends at 11:59 PM on June 30, 2026, unless (i) extended in a writing signed by both parties; (ii) terminated earlier under Section 14; or (iii) Landlord accepts Rent after the end date, in which case a month-to-month tenancy is created under paragraph 2A above.

3. Rent. Tenant shall pay Rent of \$2,875.00 per month, in advance, due on the 1st day of each calendar month and delinquent thereafter. "Rent" means all monetary obligations of Tenant under this Agreement except the security deposit described in Section 5.

A. Rent is payable by ☒ personal check ☒ electronic transfer ☐ other: _____, payable to Cedar Grove Rentals LLC.

B. If any payment is returned unpaid, Tenant shall pay a returned-payment fee of \$40.00 and, after the second such event, Landlord may require all future Rent to be paid by certified funds.

4. Included Personal Property. The following items are provided with the Premises and are to be returned in the same condition, ordinary wear and tear excepted: refrigerator, gas range, dishwasher, stacked washer/dryer ☐ (if checked) additional items are listed on the attached inventory addendum.

5. Security Deposit. Tenant shall deposit \$2,875.00 as security for Tenant's performance. Landlord may apply the deposit, as reasonably necessary, to: (i) unpaid Rent; (ii) repair of damage beyond ordinary wear and tear caused by Tenant or Tenant's guests; (iii) cleaning of the Premises upon termination; and (iv) the replacement of personal property described in Section 4. The deposit shall not be applied by Tenant to the last month's Rent. Within the period required by applicable law after Tenant vacates, Landlord shall return the balance of the deposit together with an itemized statement of any amounts withheld.

6. Maintenance, Use, and Reporting. This is intentionally one of the long clauses in this Agreement and is meant to exceed the several-hundred-token range so that retrieval and chunking behaviour can be tested on a single dense block of obligations.

A. Tenant shall properly use, operate, and safeguard the Premises, including any landscaping, furniture, furnishings, appliances, and all mechanical, electrical, gas, and plumbing fixtures, and shall keep them and the Premises clean, sanitary, and well ventilated. Tenant shall be responsible for checking and maintaining all smoke and carbon-monoxide detectors and shall replace batteries and burned-out bulbs as needed.

B. Tenant shall promptly notify Landlord in writing of any problem, malfunction, or damage. Tenant shall be charged for all repairs or replacements caused by Tenant, Tenant's pets, guests, or licensees, excluding ordinary wear and tear, and shall be charged for damage resulting from Tenant's failure to give timely notice. Tenant shall be charged for the repair of drain blockages or stoppages, unless caused by defective plumbing or by tree roots invading sewer lines.

C. Responsibility for the garden, landscaping, trees, and shrubs is allocated as follows: watering shall be performed by ☐ Landlord ☒ Tenant; routine maintenance shall be performed by ☒ Landlord ☐ Tenant; except as follows: shared courtyard maintained by Landlord.

D. The parties agree that state or local water-use restrictions supersede any watering or maintenance obligation under paragraphs 6C above. Tenant's failure to maintain any item for which Tenant is responsible entitles Landlord to perform such maintenance and charge Tenant the reasonable cost, which shall be deemed additional Rent under Section 3.

E. Tenant shall not, without Landlord's prior written consent: (i) make alterations, repairs, or improvements, including painting, wallpapering, or changing locks; (ii) install antennas, satellite dishes, or signs; or (iii) deduct from Rent the cost of any repair, alteration, or improvement. Any such deduction shall be treated as unpaid Rent.

7. Pets. No animal shall be kept on or about the Premises without Landlord's prior written consent, except as expressly permitted in the attached Pet Addendum (see Schedule A). A service animal or assistance animal required by law is not a pet for purposes of this Section.

8. Quiet Enjoyment; Nuisance. Tenant shall not disturb, annoy, endanger, or interfere with other residents or neighbours, nor use the Premises for

any unlawful purpose, nor commit waste or nuisance on or about the Premises.

9. Entry.

A. Tenant shall make the Premises available to Landlord or Landlord's agents to make necessary or agreed repairs, to supply agreed services, or to show the Premises to prospective tenants, purchasers, lenders, or contractors.

B. Except in the cases listed in paragraph 9C, Landlord shall give Tenant at least twenty-four (24) hours' written notice before entry. No notice is required: (i) in an emergency; (ii) if Tenant is present and consents at the time of entry; or (iii) if Tenant has abandoned or surrendered the Premises.

C. ☐ (If checked) Tenant authorizes the use of a key safe/lockbox to permit entry under the conditions stated in paragraph 9A.

10. Assignment and Subletting. Tenant shall not sublet the Premises or assign this Agreement without Landlord's prior written consent. This prohibition ☒ applies ☐ does not apply to short-term, vacation, or transient rentals arranged through any hosting platform. Any violation of this Section is a non-curable, material breach of this Agreement.

11. Statutory and Condition Disclosures. The following disclosures form part of this Agreement and are made by Landlord to Tenant as of the start date. Each lettered item applies only if the associated box is checked; an unchecked box means the disclosure does not apply to this tenancy and that Tenant should not infer any representation from its absence. This Section is intentionally written at length, with several conditional and nested provisions, so that retrieval, citation, and refusal behaviour can be exercised against a dense disclosure block of the kind commonly found at the back of a lease.

A. ☒ **Pre-1978 Construction.** If checked, the Premises were built before 1978, and Tenant acknowledges receipt of (i) the lead-based-paint disclosure referenced in Schedule A; (ii) the federally approved pamphlet on lead-poisoning prevention; and (iii) any records in Landlord's possession concerning lead-based paint in the Premises. If the box is not checked, Landlord makes no representation under this paragraph.

B. ☐ **Periodic Pest Control.** If checked, Landlord has contracted for periodic pest-control treatment and shall provide Tenant a copy of any notice received from the pest-control operator. Tenant shall: (a) cooperate with reasonable access for treatment; and (b) follow any written preparation instructions provided in advance of a scheduled treatment.

C. ☒ **Flood Hazard.** If checked, the Premises are located in a designated flood-hazard area. Tenant is advised that (i) Landlord's insurance does not cover Tenant's personal property; and (ii) flood insurance for Tenant's belongings, if desired, is the sole responsibility of Tenant.

D. ☐ **Mold and Ventilation.** If checked, the Premises were previously treated for elevated levels of mold. In all cases, whether or not this box is checked, Tenant agrees to: (a) keep the Premises properly ventilated; (b) promptly report any water intrusion, leak, or visible mold growth; and (c) refrain from blocking vents or exhaust fans. Tenant's failure to comply may be treated as a failure to maintain under Section 6.

E. **Registered-Offender Database.** Information about registered offenders is made available to the public on a database maintained by the responsible state agency. Neither Landlord nor any agent is required to check the database on Tenant's behalf, and Tenant may consult the database directly if Tenant wishes to obtain such information.

12. Insurance. Tenant's personal property is not insured by Landlord. Tenant is advised to carry renter's insurance. ☒ (If checked) Tenant shall obtain and maintain liability insurance of not less than \$100,000.00, naming Landlord as an additional insured, and shall provide proof of coverage before the start date.

13. Move-In Condition. The condition of the Premises at move-in is recorded below. Items not listed are presumed clean and in operable condition.

Area / Item	Condition	Comments
Living area	Satisfactory	small nail holes, east wall
Kitchen / appliances	New	range installed 2025
Bathroom(s)	Satisfactory	grout re-sealed prior to move-in
Flooring / walls	Other	minor carpet stain, hallway

14. Early Termination. If Tenant terminates before the end of the term stated in Section 2B, Tenant remains responsible for lost Rent, reasonable rental costs, and advertising expenses, which Landlord may withhold from the security deposit described in Section 5.

15. Waiver. Landlord's waiver of any breach shall not be a waiver of any later breach.

16. Entire Agreement. This Agreement, together with any addendum or schedule incorporated by reference, is the final and complete expression of the parties' agreement and supersedes all prior or contemporaneous oral agreements. Any modification must be in a writing signed by both parties.
